PAVAN NEURO CENTER

About
Dr. Pavan Kumar

Pavan Neuro Center is one of the leading neurology clinics in Guntur, dedicated to providing advanced and compassionate care for patients with brain, spine, and nerve disorders.
Founded by Dr. Ch. Pavan Kumar (DM, Neurology), the center combines modern technology with personalized treatment to ensure every patient receives expert attention and effective solutions.
We specialize in treating a wide range of neurological conditions such as stroke, epilepsy, migraine, Parkinson's disease, dementia, and sleep disorders. Our mission is to enhance the quality of life through accurate diagnosis, patient education, and preventive neurology care.
At Pavan Neuro Center, we believe that "A healthy brain means a healthy life."

PAVAN NEURO CENTER

PAVAN NEURO CENTER

Common Neurological Disorders We Treat

Stroke

At Pavan Neuro Center, the best neurologist in Guntur provides rapid diagnosis, emergency stroke care, and rehabilitation programs to help patients recover quickly and prevent recurrence.

Headache & migraine

Chronic headaches and migraines can seriously affect your quality of life. Triggers may include stress, poor sleep, dehydration, or hormonal changes.

Parkinson’s disease

Parkinson’s disease is a progressive nervous system disorder that affects movement, causing tremors, stiffness, and balance problems. Early treatment can slow progression and improve mobility.

Sleep disorders

Sleep problems such as insomnia, sleep apnea, and restless leg syndrome can lead to fatigue, poor focus, and other health issues.
